# CAL-MIL CARES

As we know, world hunger is a huge and ever-growing problem. In our search to give back, we came across an organization called Outside the Bowl (OTB). OTB is dedicated to making a positive impact in the world by helping feed the hungry. In an effort to feed as many people as possible, OTB invests in infrastructure uniquely called Super Kitchens. Super Kitchens are innovative, self-sustaining, and cut costs for organizations that feed those in need in their communities. As a result, more people are receiving the nourishment they so desperately need.

Today, in addition to their Super Kitchens, OTB has developed and manufactures a highly nutritious instant meal called VitaKidz. Just add water and a child receives 80% of their daily nutritional requirements in just one serving. The OTB manufacturing facility in Wellington South Africa is producing over 150,000 portions of VitaKidz a day! These meals are going to needy children and their families all over the world.

Cal-Mil has partnered with Outside the Bowl and is committed to their vision of a world in which all children are nourished, both physically and spiritually. Please join us in helping to provide healthy hot meals and instant VitaKidz to thousands of hungry children!

You can donate at OTB's website: [www.outsidethebowl.org](http://www.outsidethebowl.org)

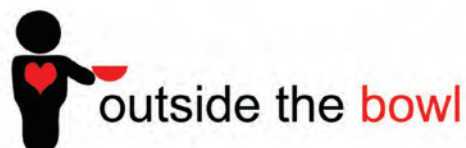

Recent Accomplishments Include:

- 9 Super Kitchens (Tijuana, Mexicali, Jalisco, Port-au-Prince, Port-de-Paix, George, Lilongwe, Paarl, Wellington)
  - Millions of portions of VitaKidz sent to hungry children and their families in Tanzania, Lesotho, South Africa, Mexico, Haiti, Dominican Republic, Uganda, and the Ukraine.
  - Over 50 million hot and instant meals served since 2009
- We appreciate your consideration in partnering with us to feed the hungry ... body & soul. Even the smallest amount can make a huge difference.

Homelessness is a growing concern not only in California, but in the Nation as a whole. According to the 2015 Homelessness Assessment, California has the highest number of unsheltered homeless people. Meanwhile, San Diego has escalated to 4th in the Nation in total homeless population. Solutions for Change is a nonprofit organization that creates an innovative and permanent solution to family homelessness and generational poverty.

Solutions for Change differs from the traditional containment model that offers short-term shelter, food handouts, and other “Band-Aids” that perpetuate, rather than solve the problem. Instead of these temporary solutions, they focus on empowering homeless families to change their lives permanently. To accomplish this task, families participate in a 700-day program that equips moms and dads with skills, knowledge, and resources (including housing), as they continue to gain and maintain physical, mental, and financial health. By the time residents reach 500 days, they have full time jobs providing for their families. Of those who graduate, there is a 93% success rate! They have helped to solve homelessness in San Diego County for over 1,300 families and 2,800 children. Solutions for Change is solely funded by the generosity of donors, foundations, and corporations. In the past, Solutions for Change received some state and federal support for operations. However, when it was required of them to abandon their sobriety and work requirements, the organization returned more than half a million dollars in federal and state grants.

We invite you to join with the Cal-Mil family in partnering with Solutions for Change helping to transform lives of entire families!

To learn how you can volunteer, donate, and make a difference, visit [www.solutionsforchange.org](http://www.solutionsforchange.org)

# 1965

## CAL-MIL IS FOUNDED

1965 – At the age of 40, Jack Callahan acquires the helmet division of the company, Bill Jack's, to create Cal-Mil. Jack and his team specialized in high performance helmets for the military, crop dusters, the Forestry Fired Department, among many others.

1967 – Jack and his father build the first Cal-Mil manufacturing facility in Carlsbad, CA.

Jack Callahan

# 1970

## CAL-MIL ENTERS THE FOODSERVICE MARKET

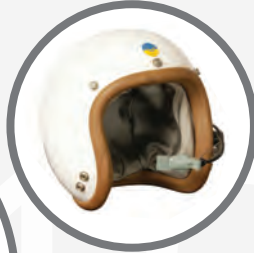

1970 – Showing his innovative spirit, Jack branches out from helmets to begin manufacturing terrariums for the retail industry. The original forming machines for the terrariums were built by Jack using salvaged scrap metal from the local shipyards in San Diego.

1974 – The first salad bowls are manufactured for S.E. Rykoff in Los Angeles. Jack was able to modify the molds for the terrariums to produce the salad bowls. These bowls are still a part of our assortment today! Check them out on page 200 , item 401-12-34.

1975 – Jack hires foodservice rep, Sam Feinberg, in Los Angeles, establishing Cal-Mil in the foodservice business.

1976 – Johnny, Jack's youngest son, joins the business, marking the beginning of the second generation of Cal-Mil.

1984 – Cal-Mil's first national rollout of displayettes for Marriott's in room program.

1985 – Jack and Johnny make the decision to discontinue the helmet division to focus their efforts on manufacturing for the growing foodservice industry.

Johnny Callahan
